

## The Granite Group's – Modern Slavery Act 2015 Annual Transparency Statement

For year ending: 31<sup>st</sup> December 2021

### 1. Introduction

This statement has been published in accordance with the UK's Modern Slavery Act 2015 ("MSA"). It sets out the steps taken by the Granite Group during the year ending 31<sup>st</sup> December 2021 to prevent modern slavery and human trafficking in its business and supply chains.

The MSA requires commercial organisations with an annual turnover of more than £36 million to publish a slavery and trafficking statement for each financial year. The Granite Group is committed to ensuring that no form of modern slavery takes place within its own operations or the supply chain. Modern slavery is defined as slavery, servitude, force or compulsory labour and human trafficking.

### **3. Supply Chain**

The Granite Group's supply chain includes insurance brokers, insurers, comparison websites, vehicle replacement providers, repairers, counter fraud and intelligence providers, payment providers, cloud providers, software providers, and solicitors.

### **4. Recruitment Practices**

The Granite Group is committed to fair recruitment and employment conditions. We recognise the right of each employee to freedom of association, including the right to join trade unions. We ensure that we comply with employment legislation and we do not employ people who do not have the right to work in the UK.

### **5. Governance**

The Granite Group's internal policies include Anti-Bribery and Corruption, Financial Crime, Whistleblowing and an Employee Handbook which incorporates a Code of Conduct. All policies reaffirm our expectation that staff act with honesty and integrity whilst complying with legal and regulatory requirements at all times. To further enhance our internal controls to mitigate the risk of slavery, we have implemented an Anti-Slavery policy which reflects our commitment to:

- Act with integrity and ethically in all our business relationships,
- Ensure our Board, senior management and employees at all levels are aware of the principles of the MSA,
- Enforce effective due diligence processes and controls to ensure slavery and human trafficking is not taking place anywhere within our business or in our supply chains,
- Carry out risk assessments to understand the company's exposure to the risk of modern slavery,
- Maintain fair recruitment procedures and conditions of employment, and;
- Encourage the reporting of any actions which may contravene the MSA.

### **6. Due Diligence**

An outsourcing policy is in place which governs; the proposal process, due diligence, contractual requirements, risk mitigation, and management of the supply chain.

The Granite Group are dedicated to continuously improving the Company's approach to preventing modern slavery and will continue to carry out due diligence on the operational framework and supply chain throughout 2022.

### **7. Risk Assessment**

We have a risk management system in place which identifies, assesses, measures, monitors and manages risks the business is exposed to, or could potentially be exposed to. This is documented in the risk register and the risk of slavery within the operational framework and supply chain has been assessed and included within the register for ongoing monitoring. During 2022 we will develop our risk management system further, including analysing risks identified and the outcome of supplier due diligence.

## **8. Training**

The Granite Group recognises that educating its staff is fundamental to ensuring that potential risks to human rights and modern slavery are identified and managed in a timely and efficient manner. Our current training programme includes our Code of Conduct with specific focus on conducting business in accordance with the highest ethical standards, and empowering staff to report any improper activity.

In 2021 we also ensured staff participated in specific Modern Slavery training to ensure that staff understand the significance of the MSA and the importance of reducing the risk of modern slavery within the Granite Group and the minimum standards required to comply.

### **Board Approval**
